

WorshipCentre Families

Get-Away

Dear Families

How exciting - our first WorshipCentre family get-away. There won't be a structured program during these couple of days, so you and your family can interact and participate with others to the level that suits you. We will, however, eat together at designated meal times. If you have a baby, one port-a-cot (BYO) is allowed in each room. Each family will travel individually and be responsible for the safety and behaviour of their individual children.

We have the use of a lounge area where families may want to watch a DVD or play table games.

If weather is good on the Friday, after breakfast we will go on a road trip to a designated place at the beach and a packed lunch will be prepared for us. If it is not a beach day we will finish with lunch at Mapleton.

There are three beautiful pools and a wading pool, a lake and bush walks, tennis courts and more. Please note you are responsible to supervise your children in the pools and at all times.

I am looking forward to this adventure and I plan to bring some grandchildren. If you are a responsible Promise Kids' leader, you may sponsor and bring children from Promise Kids, however you are totally responsible for them and will need to transport and care for them as though they were your own children.

I will be responsible to collect the money and to pay the account.

Love
